

The Perfect Hope (Inn BoonsBoro Trilogy)

Ryder is the hardest Montgomery brother to figure out ? with a tough-as-nails outside and possibly nothing too soft underneath. Hes surly and unsociable, but when he straps on a tool belt, no woman can resist his sexy swagger. Except, apparently, Hope Beaumont, the innkeeper of his own Inn BoonsBoro As the former manager of a D.C. hotel, Hope is used to excitement and glamour, but that doesnt mean she cant appreciate the joys of small-town living. Shes where she wants to be ? except for in her love life. Her only interaction with the opposite sex has been sparring with the infuriating Ryder, who always seems to get under her skin. Still, no one can deny the electricity that crackles between them a spark that ignited with a New Years Eve kiss. While the inn is running smoothly, thanks to Hopes experience and unerring instincts, her big-city past is about to make an unwelcome ? and embarrassing ? appearance. Seeing Hope vulnerable stirs up Ryders emotions and makes him realize that while Hope may not be perfect, she just might be perfect for him
