

Unfinished Business: Single Father (Harlequin Superromance No. 1214)

Country roads always seem to lead you home...Culley Rutherford is doing the best he can to raise his young daughter on his own. One night while at a medical conference in New York City, Culley runs into his old friend Addy Taylor. After a passionate night together, they go their separate ways, so Culley is surprised to see Addy back in Harpers Mill. Culley is willing to explore the attraction between them, but Addy is back in town to help her mother run their family orchard-thats all. Slowly Culley and his daughter, Madeline, try to break down Addys defenses, hoping to show her that coming home for good is the best move she can make.
