

A Man In A Million (Silhouette Special Large Print)

HAVE YOU MET MADELINE MAGUIRE? SURE HAVE, SPIKE THOUGHT. I SAW HER LAST NIGHT IN MY DREAMS. As far as bad boy Spike Moriarty was concerned, Madeline Maguire defined female perfection. When they met, she walked up as if she wasn't the most gorgeous thing on the planet and asked to see his tattoos. He--a tough guy who'd made grown men run--had just about passed out. But their connection was definitely one-way...it had to be. Because he could never be the man in a million she was looking for, not with the things he'd done and seen. So for as long as she let him, he'd give her whatever she wanted. He'd worry about her walking away when it happened.
