

A Silverhill Christmas

Rio McClintock experienced a lot as a freelance CIA operative. But nothing prepared him for the smoldering attraction between him and a former princess. His mission was to destroy an empire built on smuggling drugs and weapons, and Tori Scott complicated everything especially when all she wanted was to rescue her four-year-old son in time for a happy Christmas. The moment the little boy was back in his mother's arms, Rio knew bringing them to Silverhill, Colorado, would offer the best protection. Rio was surprised how easily strong-minded Tori went along with his plan until she revealed a startling connection to the hometown he thought he'd left behind. For good.
