

## Duncans Bride

Reese Duncan wanted a wife, pure and simple. Someone to have children with, someone to help him rebuild his ranch, someone uncomplicated...and someone very different from his first wife, the woman whod destroyed his life. But he hadnt bargained on Madelyn Patterson. She was sophisticated and citified, and she was willing to herd cattle, keep house and start a family with Reese. The only thing she asked for in return was love - the one thing Reese refused to guarantee.
