

Maverick Sheriff (Sweetwater Ranch)

Delores Fossen kicks off her new series, Sweetwater Ranch, with a Texas lawman, a beautiful district attorney and the child they'll risk everything to protect. Saving a little boy's life reopens painful wounds for Texas sheriff Cooper McKinnon. This could be his son, whose loss has haunted him for two years. But Cooper has a formidable adversary in Jessa Wells. She's the adoptive mother and she'll do anything to hold on to Liam. It's cruel justice that the man who shares Liam's rare blood type has an unsolved murder in his own family. And the dangers far from over. Fighting her desire for Cooper, Jessa has no choice but to join forces with the maverick cowboy. Jessa knows working together is their best shot at keeping the child safe. But it's the possibility of a future alone that breaks Jessa's heart.
