

## Prince Of A Guy (Red-Hot Royals)

Runaway Princess Carlyne Fortier read a desperate nanny ad in the paper and decided it was the answer to her prayers. Disguising herself, she applied. Anything to escape the demands of royal life!

Architect Sean OMara welcomed Carlyne with open arms. The woman might have been plain as dirt, but she had great references. Anything to cope with the demands of his sisters four-year-old whirling dervish! What happened next was right out of a fairy tale
