

Karma Girl (Bigtime)

Bigtime, New York, is not big enough for both Carmen Cole and the superheroes and ubervillains who stalk its streets. An intrepid reporter, Carmen dedicated her life to unmasking the spandexwearers, all because her fiancZ turned out to be a superhero, and a cheating one at that—sleeping with none other than his nubile nemesis. Exposing the true identities of the nations caped crusaders and their archenemies has catapulted Carmen from her sleepy southern hometown to the front pages of the countrys biggest newspaper, The ExposZ. Hobnobbing with millionaires and famished fashionistas is all in a days work for a woman on the trail of the Fearless Five and Terrible Triad. But when Carmen gets the scoop of her career, her life comes crashing down around her. And even Bigtimes sexiest superhero, Striker, may not be able to save her.
