

Norah (Orchard Valley Trilogy #3) (Harlequin Romance #3244)

Norah Bloomfield is feeling a bit unneeded these days. Her father is recovering from his heart attack, and her sisters, Valerie and Stephanie, are busy planning their weddings. But then a cantankerous Texan named Rowdy Cassidy crashes his small plane in Orchard Valley. The same Rowdy Cassidy who had been Valerie's boss and who had demanded she marry him. Now he's Norah's patient, and in all her nursing experience she's never encountered a more difficult man. Or a more irresistible one! Except is he still in love with her sister? Texas men are a breed apart
