

## Colby Rebuilt

Colby agent or not, he didnt dare cross the line with this woman--not yet Former U.S. marshal Shane Allen made one mistake on the job, and it cost him his reputation. Now he had a second chance working an inside case for the newly rebuilt Colby Agency. And nothing, certainly not some tagalong woman, was going to ruin it. After her sisters murder, justice was all that Mary Jane Brooks wanted. And Shane was crucial to nailing those responsible, even if he did send her pulse racing. Keeping things professional was downright impossible, especially when Mary Jane kept putting out conflicting signals. If Shanes instincts were right, this fragile beauty was a virgin in the worst kind of trouble--but was he ready to take it all the way?
