

Mackenzie Blue #3: Friends Forever?

Tween readers will love following the adventures of Mackenzie Zee Blue. California girl Zee is an expert shopper, plays the guitar and writes songs, and makes purses and jewelry. She knows how it feels to have a huge crush. And she knows how to be a good friend and keeps in touch via texts and emails. In Friends Forever?, third in Tina Wells's delightful illustrated middle-grade series, Zee and the rest of her class from the Brookdale Academy are off on a camping trip to compete in an environmental scavenger hunt. Zee is extra psyched because her best friend, Ally, is visiting from Paris. It should be fabulous having all her friends in one place, but for some reason everyone is fighting!
