

Cant Teach an Old Demon New Tricks

Get an east Texas girl good and mad, and there's going to be hell to pay! Rachel Farnsworth doesn't believe in the paranormal; she can find plenty of evil forces right in Dogwood County, like the Mega-Mart that's driving her family's hardware store into the ground. Then there's her own little hell-raiser: a rowdy toddler who can turn his birthday candles into a blazing inferno with just one breath. But when her marriage goes up in smoke, Rachel discovers her husband, Kevin, isn't just a deadbeat, he's also a demon (a sloth demon, no less, which explains why he never helped around the house) with a renegade bounty hunter: a fallen angel named Sam, chasing down a powerful secret Kevin has kept for a millennium or two. Sam's downfall was a beautiful mortal woman . . . and now, the heavenly attraction zinging between them has down-to-earth Rachel believing in celestial magic. But will it be enough to save her and her son from the dark forces Kevin has unwittingly unleashed on Dogwood County?
