

The Secret Father: The Calvert Cousins (Harlequin Superromance No. 1154)

How is it possible to forget the love of your life? Zach Calvert has no memory of his last three years as a Navy pilot. And for the most part, he's resigned himself to that. He's content with his new life as the sheriff of his hometown, happy that his small daughter lives close by. But everything changes when he discovers he has a five-year-old son and a lover he can't remember.
