

## Beautifully Broken (The Destiny Series) (Volume 2)

Matt is good at fixing things . . . but he quickly learns that people are a little more difficult to put back together. Matthew Knight is a ladies man. Hes as handsome as he is sinister, with a natural charm that wows the skirt off every woman he passes. Having already had a piece, Felicia knows how dangerous it can be getting too close to all that raw masculine power. If shes learned anything from their scandalous weekend together, its that spontaneity leads to chaos. Still choking on guilt from his untimely accident, she refuses to let him in.

Matt wants in, and he can be very persuasive. He will do anything to ruffle Felicias feathers and she will stop at nothing to hide how much she enjoys it every time he does. He refuses to surrender until she caves and gives him what he wants what hes wanted all this time her. When the pair reunite, their chemistry explodes off the charts, but can Felicia harness her frozen emotions and resist him? Although Matt comes armed with all the right words, can he prove to her that she means more to him than another weekend rendezvous? Witness the power struggle and see who comes out on top.
