

## City Surgeon, Small Town Miracle (Harlequin Medical, 439)

From hot-shot city doc to husband? - When Dr. Maggie Croft decided to have her late husband's baby, she never envisaged combining pregnancy with caring for a small-town community! Chasing her dreams seems to have led her to a dead end. But all that changes when she crashes into the sophisticated Dr. Max Ashton, rounding the corner in his Aston Martin. Max had been heading back to the distraction of city life, but there's something about red-haired, irrepressible Maggie that grabs him and won't let go. Under her warm influence he remembers another time, another Max -- before he'd deliberately locked his heart away....
