

Protected In His Arms (Silhouette Romantic Suspense)

With the clock ticking, U.S. Marshal Gideon Brand knew a little girl would die unless he could convince genuine psychic Marysia O'Hurley to help him. But he never planned to enlist Marysia's help with bullets flying in the background and her as his unwilling hostage! Now the two are on the race of their lives to discover the link between the plane crash that killed Marysia's husband and the disappearance of a judge's granddaughter. And as Marysia learns to embrace and not curse her ESP, she's about to discover another more passionate side to herself in the sexy lawman's arms.
