

A Simple Christianity: Rediscover the Foundational Principles of Our Faith

John MacArthur has an answer for those finding the Christian life too complicated, their zeal diminished, their relationship with Jesus grown cold and predictable. Awardwinning author and respected pastor-teacher, John MacArthur reminds us in *A Simple Christianity* that what's been lost can be found and tells us how! This practical tool can help readers restore the fire and conviction of their first love for Christ by helping them to better understand His character, His Glory, and His love for them. MacArthur counsels all who want more love for Christ to pursue Him by making Christ their focus each day, in every activity, in every contact, and in every thought. It's when you make Him your priority and love Christ with all your heart, soul, and strength that God is glorified.
