

Unchained Melanie

Is there life after marriage? Her friends predict loneliness, frustration and disaster. Her parents are convinced she's a failure. All this when Melanie finds herself single after years of being one half of a pair. Melanie, however, is excited to be able to do her own thing - she plans a programme of behaving badly, after a lifetime of behaving properly. With her daughter at university and ex-husband Roger married off at last - to his lamentably young girlfriend whom he accidentally got pregnant at the office party - she has what a teenager would call a Free House, and she intends to make the most of it. But the single life isn't all it's cracked up to be...
