

Midnight Vengeance (Men of Midnight Series, Book 1)

[Read by Elizabeth Hart] Morton Jacko Jackman isn't afraid of anything. He's a former Navy SEAL sniper, and he's been in more firefights than most people have had hot meals. But Lauren Dare scares the #&%* out of him. Gorgeous, talented, and refined, Lauren is the type of woman who could never be interested in a roughneck like him. So he has loved her fiercely in secret, taken her art classes, and kept a watchful but comfortable distance -- until now. Lauren had finally found a home in Portland, far from her real identity, far from the memories of her mother's death, and outside the reaches of the drugged-out psycho who has already tried to kill her twice. One tiny misstep -- a single photograph -- has shattered it all. She has no choice but to run again, but this time she'll give herself a proper farewell: one night with Jacko. Their highly charged emotional encounter changes everything. In Jacko's arms there cannot be fear, there can only be pleasure. Anyone wishing her harm will have to pass through him, and Jacko is a hard man to kill.
