

Danes Syn [Primal Heat 3] (Siren Publishing: The Lynn Hagen Manlove Collection)

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Dane Fairfax belongs to a submissive group called Prim. Most call him naive and Dane is always there to help whenever his alpha needs him. But Dane isn't so wide-eyed when it comes to powerful males. He has his sights set on Syn Bourne and Dane is determined to make the man his. Syn isn't so sure the mission his brother hands him is wise. He balks at the idea when Talyn tells him that he's to take Dane along with him. It's going to be hard enough to watch his own back and now he has Dane to look out for. When Dane is hurt and nearly dies, Syn meets a powerful and dangerous man who offers to heal Dane...for a price. The journey is dangerous and Syn prays he can protect Dane, but what starts out as a mission for allies turns into deep passion that scorches even the hottest of summer nights. ** A Siren Erotic Romance
