

## Kittysaurus Rex (Kittysaurus Series) (Volume 1)

When Clara and Zeke discover a series of bizarre fossils from an unknown cat-shaped dinosaur, they expect to make a groundbreaking contribution to the science of Paleontology. Soon they find themselves in the sights of Myles Vulture, a billionaire with unlimited resources who will stop at nothing to obtain the rare Kittysaurus fossils for his own collection. Their only hope of success requires a trip 145 million years into the past to a lost period of history called the Zanyzoic where Clara and Zeke run the risk of getting eaten by their own discovery! Kittysaurus is a hilarious adventure, entertaining for middle school students, children and adults.
