

Pulse (Collide) (Volume 2)

How do you keep existing when your heart is so splintered, so completely torn to shreds, your pulse is fading? You're broken. How do you move forward when every breath is nothing more than a constant ache? Living becomes an insidious reminder that you threw away the single largest part of yourself. Your soul. No amount of distraction can pull you from the torture of losing your life. Now that Emily Cooper has walked away from her first love, she finds herself running toward her only love. Unraveling fast, but clinging to hope, Emily risks all she has left on the man that has consumed her every thought and dream since the day they met. Will Gavin take her back? And if so, will their reunion be a collision of two hearts destined to complete one another and rekindle a love that knew no boundaries? Or will scars from their past rip open, tearing slowly at what each of them was meant to be? Can fate, the ultimate game changer, mend the shattered road it laid out from the start? Only time will tell Tick-Tock
