

Shes The One (Silhouette Special Edition)

Undercover travel writer Alexandra Tulane wonders if maybe shes in way over her head. A mens hunting and fishing retreat in the wilds of Alaska? Not exactly her stylish scene. Fortunately, theres plenty of breathtaking scenery including good-looking bush pilot Dylan Bower.

Despite the magnetic attraction between them, however, Alexandra is everything Dylan is not-shes a rover, always looking for the next adventure. For Dylan, the scars of the past run deep. Hes hidden himself and his silent son in an isolated haven for their protection. Yet Alexandra engages both of them and soon theyre under her spell. This-she-feels so good Dylan doesnt want it to end. So how can he convince her to stay?
