

The Kings Pleasure

Heather Grahams beautifully written Scottish-set historical, originally published as a Shannon Drake novel, is the passionate, sweeping tale of a Highland laird and the English beauty he is ordered to wed. Danielle Daville was sworn to obey King Edwards order to marry her enemy Adrien MacLachlan, the legendary Scot who had masterminded the fall of her beloved home. Suddenly she was bound, body and soul, to the arrogant knight. But swept off to his castle in the Scottish highlands, and into his strong embrace, Danielle was soon possessed by a searing passion for the husband she had vowed to despise. Adrien MacLachlan couldnt afford to trust the emerald-eyed spitfire, but nor could he ignore the fierce attraction between them. Long ago, he had pledged his right arm to his king. Now he would discover that only by pledging his heart could he win the most precious prize of all.
