

Stranger In A Small Town

Seth Anderson has come to Sturgeon Falls determined to prove two things. First, that he'd never fathered a child. Second, that Dr. Kat Macauley, the prime suspect in his counterfeiting case, isn't fit to be a mother. But face-to-face with the fiercely protective Kat, he isn't so sure. The passionate and loving woman who swore she'd never let her friend's daughter go off with a complete stranger makes him see what he's sacrificed by always putting his career first. And that's not all...he quickly realizes how much he hopes his suspicions are wrong.
