

## The Taken: Celestial Blues: Book One

Exceptional. Mystery, crime scene drama, and more than enough romance to keep the heart pumping blend seamlessly into an enthralling read that kept me glued to the pages. Kim Harrison A delectably dark paranormal thriller. I've always been a fan of Pettersson's work, but she knocks it out of the park with this one. Kelley Armstrong Vicki Pettersson, author of the New York Times bestselling Signs of the Zodiac urban fantasy novels, breaks out with The Taken. The first book in her sexy, supernatural noir mystery series, Celestial Blues, The Taken features a former p.i.-turned-fallen angel and a beautiful, tough Las Vegas reporter the most unorthodox pair of avengers since Jeanine Frosts Cat and Bones joining forces to confront a terror that threatens to wreak murderous havoc in both the mortal and the immortal worlds. A dark and delicious mix of noir mystery, urban fantasy, and paranormal romance, The Taken is a must-read treat for the insatiable fans of Nalini Singh's angel books, and for the many, many readers who have made Kelley Armstrong, Charlaine Harris, Kim Harrison, and Laurell K. Hamilton fantasy superstars.
