

## Stone Rabbit #7: Dragon Boogie

With a roll of some enchanted dice, Stone Rabbit and his friends are unwittingly transported to a medieval realm filled with nerdy knights, wacky wizards, and deranged dragons! Will our long-eared hero be able to complete his noble quest and escape the fiery lair of the beast? Or will he end up eternally lost in the dungeons of despair? Dragon Boogie is the seventh book in a full-color series of riotous, rip-roaring graphic novels that chronicles the zany of adventures of a quick-tempered and quick-witted young rabbit. Its fast pace and outrageously high visual content will appeal to thrill-seeking young readers everywhere!
