

The Ultimate Seduction (Harlequin Blaze, No 61)

P.I. Noah Sommers has finally met his match. He wants sexy Natalie Hastings so badly, he'll do anything to have her including taking her in after a car accident leaves her with short-term memory loss. And protecting her when he learns she's acquired a stalker. And harder still, keeping his hands off her until she can remember. Only, he hadn't counted on Natalie making his job so difficult. Natalie's world has been turned upside down. Her only constant is her sexy fiancé, Noah. And she wants him constantly. Only, all of a sudden, he's acting noble. But not for long. Because Natalie's planning a seduction he'll never forget! Before long, Natalie has Noah right where she wants him - in her bed and her heart. If only Noah was the man Natalie thought he was.
