

Homeless

A heartwarming story of redemption from Annie Reed, the award-winning author of Reunion. The old gods left the earth long ago, yet Hera remained behind, forgotten and abandoned. Once the haughty wife of Zeus himself, now she wanders the streets, just one more haggard old woman among the city's homeless. When street thugs attack, a crippled mortal comes to her defense. A man who reminds Hera far too much of the lame son she cast out of heaven. The one act in all her immortal life she truly regrets. The one act she can never forgive.
