

Fiancee for One Night

Old passions never die...Leo Zamos persuades his virtual PA Eve Carmichael to act as his fake fiancee at a business dinner. Thinking hes never met her before, Leo assumes that Eves appearance will be as neat and professional as the work shes so efficiently performed for him. But soon he realises how wrong hes been! With her soft curves, and lips that beg to be kissed, Eve is every bit as tempting as her namesake...Eve has accepted Leos commission reluctantly - how can she, a single mum, refuse the fee hes offering her? But will he recognise her as the girl he once briefly met and for whom he felt a simmering attraction? When Eve sees Leo again, she knows that the one-evening masquerade shes signed up for is about to become a whole passionate night...in his bed...
