

Once Upon a Family (Fostered by Love Series #1) (Love Inspired #393)

As the local high school principal, Peter Stone knew troubled student Sean Williams needed his expert assistance. And as a Christian, Peter knew God was leading him to help. Yet it was the boys mother who captured Peters notice. Laura, a widow caring for her four children and ailing aunt, had no time for romance or religion. Somehow, despite her protests, Laura found herself and her brood frequent visitors to Peters ranch and the church he attended. Soon it seemed her family was meant to complete Peters life.
