

## Improbable Solution

Welcome to Whiterock, Oregon, where peculiar happenings are taken for granted. Where Sally Carruthers nurses her dying father. Where Gus Loring seeks forgetfulness. To find it, hed have to do the impossible and forgive himself. Whiterock is a town where people are from, because theres nothing to hold them there. Every year more of the stores on Main Street close, and every year more of its young people leave to find their fortunes somewhere else; yet somehow it endures. So perhaps theres something more to Whiterock than dusty streets, shabby buildings, and discouraged residents, something as hungry for love as Gus and Sally.
