

## Cowboy Proud (Wild Western Heat)

This cowboy is rugged, proud and incredibly sexy. Cade Covington is struggling with turning his family's beloved ranch into a tourist attraction. It's not just the mortgage big enough to choke a horse, or the invasion of his home by strangers. It's also the arrival of a city slicker PR professional who doesn't understand ranch life and puts every beautiful woman he's ever seen to shame. Cade wants her. With her company on the line, Emma can't afford any mistakes. Especially if that mistake is a broad-shouldered, blue-eyed cowboy who drives her crazy with hunger. But all it takes is one small wager and their chemistry explodes. When the dust settles, will Emma have obliterated her career or captured her cowboy?
