

A Killer Among Us (Women of Justice)

Kit Kenyon is a first-rate hostage negotiator. Noah Lambert is a good detective with excellent instincts. The new partners have hardly had time to get used to each other when they are thrown into a grisly murder case. As evidence mounts up and more victims are found, Kit and Noah realize they are on the hunt for a serial killer. The problem is, he's hunting one of them too. With nail-biting suspense, clever plot twists, and a hint of sweet romance, *A Killer Among Us* is the latest thriller from Lynette Eason. It will keep readers up late as they race to discover the killer--and whether Kit and Noah will live to tell about it.
