

Life-Changing Conversations: 7 Strategies for Talking About What Matters Most

So much in life hinges on the ability to say the right thing, at the right time, to the right person, in the right way. Now expert psychologist and coach Sarah Rozenhuler provides a practical guide to having the kinds of conversations that will turn your life around, from negotiating with difficult neighbors to asking for a raise to ending a long-term relationship. A useful, practical book . . . I highly recommend it!--Christiane Northrup, M.D., author of the New York Times bestselling Womens Bodies, Womens Wisdom. Features a foreword by Neale Donald Walsch, bestselling author of Conversations with God.
