

The Yellow Kite

Fly higher, my yellow kite! Reach the cloud, my yellow kite! Loosing a friend does not mean the end of the world. Build and fly your yellow kite, and follow wherever it may take you. Parts of the original artworks of this book are made of materials that can be easily found in daily life. On some pages, newspaper, used packing paper, colored tissue paper, dried corn husks, and broomsticks are used. The illustration is created using drawing pen and mixed media technique.
