

Nadia Knows Best

The bigger the mistake, the more tempting it is ... When Nadia Kinsella meets Jay Tiernan, she's tempted. Of course she is. Stranded together while a snowstorm rages outside ... who would ever know? But Nadia's already been together with Laurie for years—they're practically childhood sweethearts. Okay, so maybe she doesn't get to see much of him these days, but she can't betray him. Besides, when you belong to a family like the Kinsellas—glamorous grandmother Miriam, feckless mother Leonie, stop-at-nothing sister Clarewell, someone has to exercise a bit of self-control, don't they? I mean, you wouldn't want to do something that you might later regret... Praise for New York Times and USA Today bestselling author Jill Mansell: Each and every facet of this wonderful story comes together to offer readers a tremendous look at friendship, hope, romance, and second chances. An unforgettable, entertaining novel! RT Book Reviews, 4 Stars Bestselling Brit Mansell delivers a romantic and lighthearted story about a woman's struggle to overcome grief and the quirky people who help her along the way.
