

Lord of the Wolfyn

Once upon a time the Blood Sorcerer vanquished the kingdom of Elden. To save their children, the queen scattered them to safety and the king filled them with vengeance. Only a magical timepiece connects the four royal heirs and time is running out. For practical Reda Weston, nothing could explain how reading a sexy version of Little Red Riding Hood catapulted her into another realm face-to-fang with the legendary wolf-creature who seduced women. A wolf who transformed into a dark, virile man. Dayn cursed the Sorcerer that turned him wolfyn and damned him to a lonely fate. As a beast, he mated with women to gain strength. Strength he needed to save Elden. But as a man, he craved Reda's heated, sizzling touch. With little time left, Dayn had to either embrace his wolf to save his kingdom or fight it to save his woman.
