

The Nanny And The Sheikh

Melissa Foxs trip to the kingdom of QuArim is a perk of her job with the Valentine family. When she arrives, she works for Bella Lucia, but when she expertly calms Sheikh Surim Al-Thanis three little children, the handsome sheikh is determined she will stay on as his nanny. When Melissa realizes how much the children need her, she agrees to stay--she will teach the gorgeous but guarded sheikh how to love and care for them. Only she finds herself in love with a man she could only ever dream of marrying.
