

Baby Bootcamp

War vet Matteo Soarezs assignment is simple: watch and listen. An undercover agent for Corps Security and Investigations, Matt learned patience the hard way on a dusty desert battleground. So sitting in a Texas cafe waiting for information is a piece of cakemake that a piece of pie. Faith Scotts cherry pie, that is. The young cafe owner and mother-to-be could light up a room with her smile, and send a jaded ex-soldiers heart racing like a stallion with just a touch. But Matts job involves saving the governors life, and protecting vulnerable single mothers isnt his priority. Yet when Faiths cafe becomes the epicenter of danger, Matt knows he cannot let Faith and her baby become collateral damage. Even if it means compromising the mission.
