

The One Safe Place (Harlequin Superromance No. 1146)

Faith Constable is not the kind of woman who runs from a fight. If it weren't for her orphaned nephew, she never would have left Manhattan for the sleepy little town of Firefly Glen. But now she's here-hunted by a madman and forced to live in fear. Reed Fairmont can help everyone but himself. Reed knows Faith needs a safe place to hide, but he's beginning to wonder just what kind of protector he can be. His previous failure has already cost one life. Still, he can't back out now-Faith and her nephew have nowhere else to go.
