

Secrets, Vol. 16: Forbidden Desires

Seduction of the Muse - Charlotte Featherstone He is the Dark Lord, the mysterious author who pens the erotic tales of an innocent woman's seduction. She is his muse, the woman he watches from the dark shadows, the woman whose dreams he invades at night the only woman who can reach through his darkness and love him, scarred body and soul. To My Readers: I love writing tortured heroes and I hope you'll find Aidan, the Duke of Rutherford a delectable specimen of passion, lust and sensitivity. Enjoy of the fantasy. Bunko - Sheri Gilmore Life is but a roll of the dice. A story about the masks people use to obtain their darkest, most basic, desires love and sex. Tu Tran has a dilemma: which man will she go home with tonight? Forced to decide between Jack, a man, who promises to share every aspect of his life with her, or Dev, the man, who hides behind a mask and only offers night after night of erotic sex. Tu is torn between what everyone tells her she wants and what she knows she truly needs. Will she take the gamble of the dice and choose the man, who can see behind her own mask and expose her true desires? To My Readers: Life is but a roll of the dice. A story about the masks people use to obtain their darkest, most basic, desires love and sex. Tu Tran has a dilemma: which man will she go home with tonight? Will she take the gamble of the dice and choose the man, who can see behind her own mask and expose her true desires? Never Enough - Cynthia Eden For the last three weeks, Abby McGill has been playing with fire. She has become Jake Steeles lover, and bad-boy Jake has taught her the true meaning of desire. Abby

knows she has to end her relationship with him Jake is her fathers worst enemy, the man who almost destroyed McGill Properties. But Jake isnt about to let the woman he wants walk away from him, and, even if he has to use a bit of sensuous blackmail, he will keep his lady, because he just cant get enough of Abby

To My Readers: Ive always had a soft spot for Romeo and Juliet. To me, star-crossed lovers are just so utterly compelling. You know the lovers want to be together forever but something, or someone, is always standing in the way. When I wrote Never Enough, I knew that I would have to create a hero strong enough to overcome the obstacles standing between him and the one woman in the world that he has to have. My hero, Jake Steele, may not play by the good rules of Romeo, but hes a man who gets the job done even if he has to resort to a bit of sensuous blackmail in order to claim his lady love I hope you enjoy reading Jake and Abbys story. Happy reading!

Hide and Seek - Chevon Gael Millionaires son Kyle DeLaurier ditches his trophy- fiance in favor of a tropical paradise full of tall, tanned, topless females. Private eye, Darcy McLeod, is on the trail of this runaway groom. Together they sizzle while playing Hide and Seek with their true identities. But will destiny send Kyle back to the altar, or into Darcys arms for good? To My Readers: Nothing is more exciting than discovering something new and untouched. Adrenaline rushes, the senses heighten; the body anticipates adventure. Its infatuation, lust, love at first sight. Ive only felt that way about two things; the moment I looked into my future spouses Paul Newman blue eyes and the first time we both landed on the tiny island of San Andres in the Caribbean. I hope what we found there translates into Hide And Seek, a story of two people discovering something wonderful - a love for each other.
