

Into the Deep (Love Inspired Suspense)

When Ben Dearing got hold of a flash drive carrying deadly secrets, the scuba diver did the only thing he could. He buried it fathoms deep. Now a drug cartel wants the evidence back, and they're willing to threaten Ben's ex-girlfriend Nikki Hoffman to get it. Although Nikki caused him no end of heartache, forgetting her has been impossible, and Ben would risk anything to protect her. But what will he do when he discovers her secret that has the father of her child?
