

The Isaiah Effect: Decoding the Lost Science of Prayer and Prophecy

In Jerusalem, within the Shrine of the Book Museum, resides the Great Isaiah Scroll the most precious artifact of the famed Dead Sea Scrolls. Why is this single document, lost to humanity for more than 2,000 years, so crucial to modern scholars and mystics today? On *The Isaiah Effect*, the bestselling author of *Awakening to Zero Point* (Radio Bookstore Press, 1997) takes us on an investigation into this ancient Essene scripture to reveal a set of inner tools capable of altering the destiny of human civilization. Prayer and prophecy have the power to heal our bodies and spirits shift the course of nations and even influence the ebbs and flows of weather and geology, teaches Braden. Yet today, few of us know how to harness the awesome potential of these two spiritual technologies. Now, drawing on new insights into the physics of time and prophecy, Gregg Braden shows us how to decode the true meaning of the Great Isaiah Scroll and other prophetic scriptures how prayer can change the outcome of those predictions and how these two spiritual practices, together, create The Isaiah Effect.
