

God Loves Ugly: & love makes beautiful

Whenever Christa Black looked in the mirror, she was waging a war with herself. Her hatred of her face and body drove her, as a young woman, into frantic overachievement, addiction, and an eating disorder that landed her in rehab. A preachers kid, shed grown up imagining God as a thou shalt not tyrant. It was only when she miraculously discovered Gods unconditional love for her--physical imperfections, moral failings, and all--that she finally began to accept herself. As she tells her story, Christa shares the tools she uses to combat the self-rejection that harms so many peoples lives. In this raw testimony, Christa Black takes women on a step-by-step journey of faith and positive belief to reveal that if God loves ugly, then we can too.
