

Looking Up When Life Gets You Down

When life falls apart, where is God? Does he care? Can he fix things? Does he really love us? In an uncertain world, people need to know that God is still in control, that he still cares for us and even suffers with us, and that he has a plan that cannot be defeated. In his compassionate and caring style, Warren W. Wiersbe offers beaten-down readers a positive treatment of suffering that reveals the Bible's authoritative and comforting answers to their big questions. His faith-bolstering insight will show readers that, with God as their source of comfort, strength, and hope, they can weather the storms of life--and come out on top.
