

Finding Love in Payton (Avalon Romance)

In the latest installment of the Finding Love series, we return to the charming town of Payton, Ohio, and a romance that shows us love can break all the rules. Dinah Cate hasn't really moved on in the love department of her life since her husband passed away almost two years ago in a car accident. Juggling her role as a full-time mother as well as a bookstore owner, she just doesn't have time to meet new people, much less men. But love can strike in the most unexpected places--like the cereal aisle of the local grocery store. She also doesn't expect to be the object of attention for the youngest member of the prominent Reece family, Jeremy, a high school history teacher. Suddenly, five years doesn't seem like so much of an age difference and she finds herself bending her own rules. Men like Jeremy just don't come around twice in a lifetime...so she must weigh the costs, confront her own insecurities, and either take the biggest risk of her life or live forever wondering about the possibilities.
