

Relentless (Harlequin LP Intrigue//Corcoran Team)

The elite Corcoran Team has a new hero in HelenKay Dimons Relentless! Branded a traitor for exposing high-level corruption, former NCIS agent Ben Tanner needs to redeem himself. When the hot new operative saves nurse Jocelyn Raine from a brutal attacker, he embarks on his most challenging mission yet: discovering whos after the strong, sexy woman--and trying his best not to fall for her. She has, he learns, something in her past she wants to remain hidden. But when the attacks on Jocelyn continue, Ben takes her on the run to protect her. Sparks ignite and tension is high as their options dwindle. Its possible Jocelyns secret has endangered them both. Now its Bens job to see they survive the fallout...
