

Out of the Game (In the Zone)

Alex Sullivan may be the San Diego Barracudas resident playboy, but he hasn't been able to forget the woman who kissed him like her life depended on it ten months ago. When he sees her again at a hockey teammate's wedding, he can't think of anything but spending more time with her preferably naked. Claire Marzano lost years catering to an overbearing husband, and she's not going to answer to anyone ever again. A hot fling is just what she needs to get back in the game, and that's exactly what sexy Alex offers: one wild, long weekend, with no promises or obligations. But that one weekend changes everything. Despite knowing full well that Alex isn't the kind to ever commit, Claire is falling for him. And Alex secretly imagines a future with his strong, smart accidental girlfriend. Then a surprise announcement and an on-ice accident threaten to derail everything or cause Alex to finally ditch his old ways and become the man Claire needs him to be.
