

A Practical Grammar of the Sanskrit Language: Arranged with Reference to the Classical Languages of Europe, for the Use of English Students (Classic Reprint)

Excerpt from A Practical Grammar of the Sanskrit Language: Arranged With Reference to the Classical Languages of Europe, for the Use of English Students Before directing attention to the main features of the plan adopted in the present volume, and indicating the principal points in which it either differs from or conforms to the Indian system of grammatical tuition, I will endeavour to explain briefly what that system is; on what principles it is based; and in what relation it stands to the literature. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
